Iteration #1 Plan

21/10/2019 – 15/11/2019

Revision History

Author	Date	Description
A. Gjergjaj	21/10/2019	Initial Release

Objectives

The purpose of this iteration is to start the first stages of application development through the division of tasks after an appropriate brainstorming necessary to collect as many ideas as possible.

Task Schedule

Task	Owner	Effort Esimated	Effort Actual	Completion Estimated	Completion Actual	Status
Reading the requirement	all the team	2	---	21/10/2019	---	Finish
Brainstorming	all the team	1	---	21/10/2019	---	Finish
Divisions of tasks	all the team	1	---	21/10/2019	---	Finish

Iteration #2 Plan

16/11/2019 – 5/12/2019

Revision History

Author	Date	Description
F. Quintarelli	15/11/2019	Update Release

Objectives

The purpose of that iteration is to develop the application starting from the development of the graphical interface (entrusted to two members of the group) then continuing with the implementation of the methods designed during brainstorming and developed by the remaining three members of the group. At the end of this iteration, users should be able to:

- Use the primary functions of the application

At the end of this iteration, the system should be able to:

- Exchange messages between client and server

Task Schedule

Task	Owner	Effort Esimated	Effort Actual	Completiton Estimated	Completion Actual	Status
Program design	Donisan, Gjergjaj	7	9	21/11/2019	02/12/2019	Finish
Application developement	Scardoni, Quintarelli, Castellano	12	---	03/12/2019	05/12/2019	Finish

Iteration #3 Plan

06/12/2019 – 20/12/2019

Revision History

Author	Date	Description
A. Gjergjaj	19/12/2019	Final Release

Objectives

The purpose of this iteration is to refine the latest operations to ensure the stability of the application and develop a presentation to present the project. At the end of this iteration, users should be able to:

- Use all the functions of the application

Task Schedule

Task	Owner	Effort Esimated	Effort Actual	Completiton Estimated	Completion Actual	Status
Divisions of tasks	all the team	2	---	07/12/2019	---	Finish

Task	Owner	Effort Esimated	Effort Actual	Completion Estimated	Completion Actual	Status
Compose the presentation	Scardoni, Castellano, Gjergjaj	5	---	11/12/2019	15/12/2019	Finish
Try the exposure	all the team	2	---	20/12/2019	---	Finish
